

# RECOVERY TASK FORCE WORKSHOPS

Located at Collaboratory: 2031 Jackson St., Fort Myers, FL 33901

## Critical Infrastructure - June 5, 2023

9:00 - 10:30 AM Protecting, restoring, and enhancing natural resources supporting health and resilience.

11:00 - 12:30 PM How to best ensure the Lee County area has resilient supportive physical infrastructure - roads, highways, fuel and transport.

1:30 - 3:00 PM Identifying the infrastructure (water) projects that would provide the greatest resilience value in defending key infrastructure assets.

## Supporting Business and Workforce - June 7, 2023

9:00 - 10:30 AM Empowering a diverse, all-ages workforce.

11:00 - 12:30 PM Overcoming barriers to strengthen the job pipeline.

1:30 - 3:00 PM Advancing arts and culture in the Lee County area, supporting artists and increasing notoriety in the region.

3:30 - 5:00 PM Strengthening growth sectors - retention and redevelopment - to support a resilient economy.

## Community Resilience - June 8, 2023

8:30 - 10:30 AM Considering a unique approach to community "resilience hubs" – a broad and evolving model that can be tailored to meet many needs - from resilient communications for social service providers to life-safety support for residents following a disaster.

11:00 - 1:00 PM Making arts and culture institutions a more formal part of the effort to reliably provide disaster response services and potentially receive funding.

2:30 - 4:30 PM Ensuring vulnerable populations have access to health-supporting care before, during and after a disaster, with special consideration given to sheltering.

## Attainable and Resilient Housing - June 9, 2023

8:30 - 10:30 AM Incentivizing the production of multi-unit, attainable housing. (Financial incentives)

11:00 AM - 1:00 PM Incentivizing the production of multi-unit, attainable housing. (Land use policy and innovative solutions)

2:30 - 4:30 PM Incentivizing the production of multi-unit, attainable housing. (Streamlining permitting processes)
