Branch Next Steps and Questions

Public Comment

Review Questions

Objective

Regional Approach

Do the Objective and Regional Approach sections describe a meaningful and feasible path forward for the Lee County region? If no, what needs to be added/changed?

Need

Does the Need section build a strong enough case to encourage Initiative adoption? If not, what needs to be added/changed?

Impact

What, if any, Impact considerations are missing from this Initiative?

Key Considerations

Based on your experiences, should any other considerations be noted to aid implementation?
