High Level Process for Long-term Recovery Planning

Initiative Development Process

Planning Process

What is an Initiative?

- An Initiative constitutes the plan of action each Branch has selected, with support from the Recovery Task Force, to address validated priority areas.
- Initiatives are the critical piece of the Recovery and Resilience Plan that will showcase the steps Lee County region is taking to increase overall resiliency.

Branch Role:

Branch members are responsible for identifying the following components of an initiative:

- Initiative Lead
- Description and Progress
- Measures of Success
- Partners
- Implementation Steps (collaborative piece)

How to Read an Initiative:

Initiative Title and Number

Each Initiative has a unique title that briefly describes its purpose, and unique identifying number. The number indicates the strategy that the action supports.

Lead

The lead represents the primary organization or position charged with overseeing the action's implementation.

Initiative Description + Progress

The description provides a high-level overview of each action that explains its purpose in the Recovery Action Plan.

Funding

Potential funding or organizations with potential funding are listed here.

Resources

The resources are identified information, guidance, and/or equipment necessary to support implementation.

Where is this Initiative Involved?

Connections to relevant planning documents are noted in this section.

Branch Action Plans

What is a Branch Action Plan?

- Branches will develop an Action Plan that will become annexes to initiatives in the final Plan.
- These will include the recommended initiatives defined as new projects, policy changes, and current project prioritizations from the eight Branches.

Purpose:

- Provide **prioritization recommendations** for existing plans and projects;
- Recommend **new initiatives**; and
- Identify key **policy changes** that can support community resilience.

Branch Member Responsibilities

Branches will need to accomplish the following to successfully develop an action plan:

-  Participate in workshops related to Branch priorities/initiatives.
-  Deliberate best approaches to addressing priorities.
-  Identify topics requiring technical briefs to fill information gaps.
-  Identify and collaborate with key partners/stakeholders who might implement initiatives or enact policy changes.
-  Facilitate the design (concept and approach) of the initiatives and identifying a lead to facilitate initiative implementation.
