CR01: Capital Funding for Post-Disaster Social Services

Branch Feedback	RTF Feedback	County Feedback
• Work with grant processes that are already in place via the Lee County Visitor & Convention Bureau (VCB) or grant process with the Collaboratory.		• Consider feeding/information distribution sites. • Recommend an Emergency Operations Center (EOC) liaison. • Tourist Development Tax (TDT) dollars may be a challenge. • Site inventory on resources. • Recommendation: Designate a representative of these organizations to manage funding and guide short-term recovery.

CR02: Connecting with the Community

Branch Feedback	RTF Feedback	County Feedback
CR02 and CR08 should be consolidated with the main point of Creating a Cultural & Arts Working group.		- Recommend aiming to find federal funding sources. - Reference the Alliance for the Arts assessments and Arts & Economic Prosperity Report. - Consider combining with CR06.

CR03: Reviving Public Recreation

Branch Feedback	RTF Feedback	County Feedback
Suggestion to remove CR03 as a primary branch Initiative. Possibly including public park repair/enhancement as an addition in infrastructure (I15).		- Suggestions: Replace or combine with CR02 and CR08. - Consideration: Lee County Parks & Recreations have assessments and prioritized needs for FEMA reimbursement purposes. - Repair and an inventory of parks is also needed. - Recommend identifying programs that are repairing damaged parks. - Identify federal funds.

CR04: Cultural & Artistic Mixed-Use

Branch Feedback	RTF Feedback	County Feedback
		• Recommend referencing Sanibel program with local residents working for the Clinic for the Rehabilitation of Wildlife (CROW) (rent assistance) • Consider universities for housing traveling artists during the summer. • Recommend aligning artist housing needs and workforce housing with working group.

CR05: Art Infrastructure

		• Recommend reference to Visitor and Convention Bureau initiatives in progress (Art Stumble App). • Recommend including Art in Public Places. • Consider uplights on bridges • Art component on beach walkovers, similar to the Department of Transportation parking garage art and LeeTran bus wrapping. • Suggestion: Should Culture and Arts be included in the Lee Plan? • Art Infrastructure is part of building back better.

CR06: Cultural Resiliency

Branch Feedback	RTF Feedback	County Feedback
		• Suggest combining post disaster facility language with CR01. • Recommend coordinating evaluations with emergency management (MOUs). • Consider TDT funding possibility.

CR07: Economic and Workforce Sector Strategy

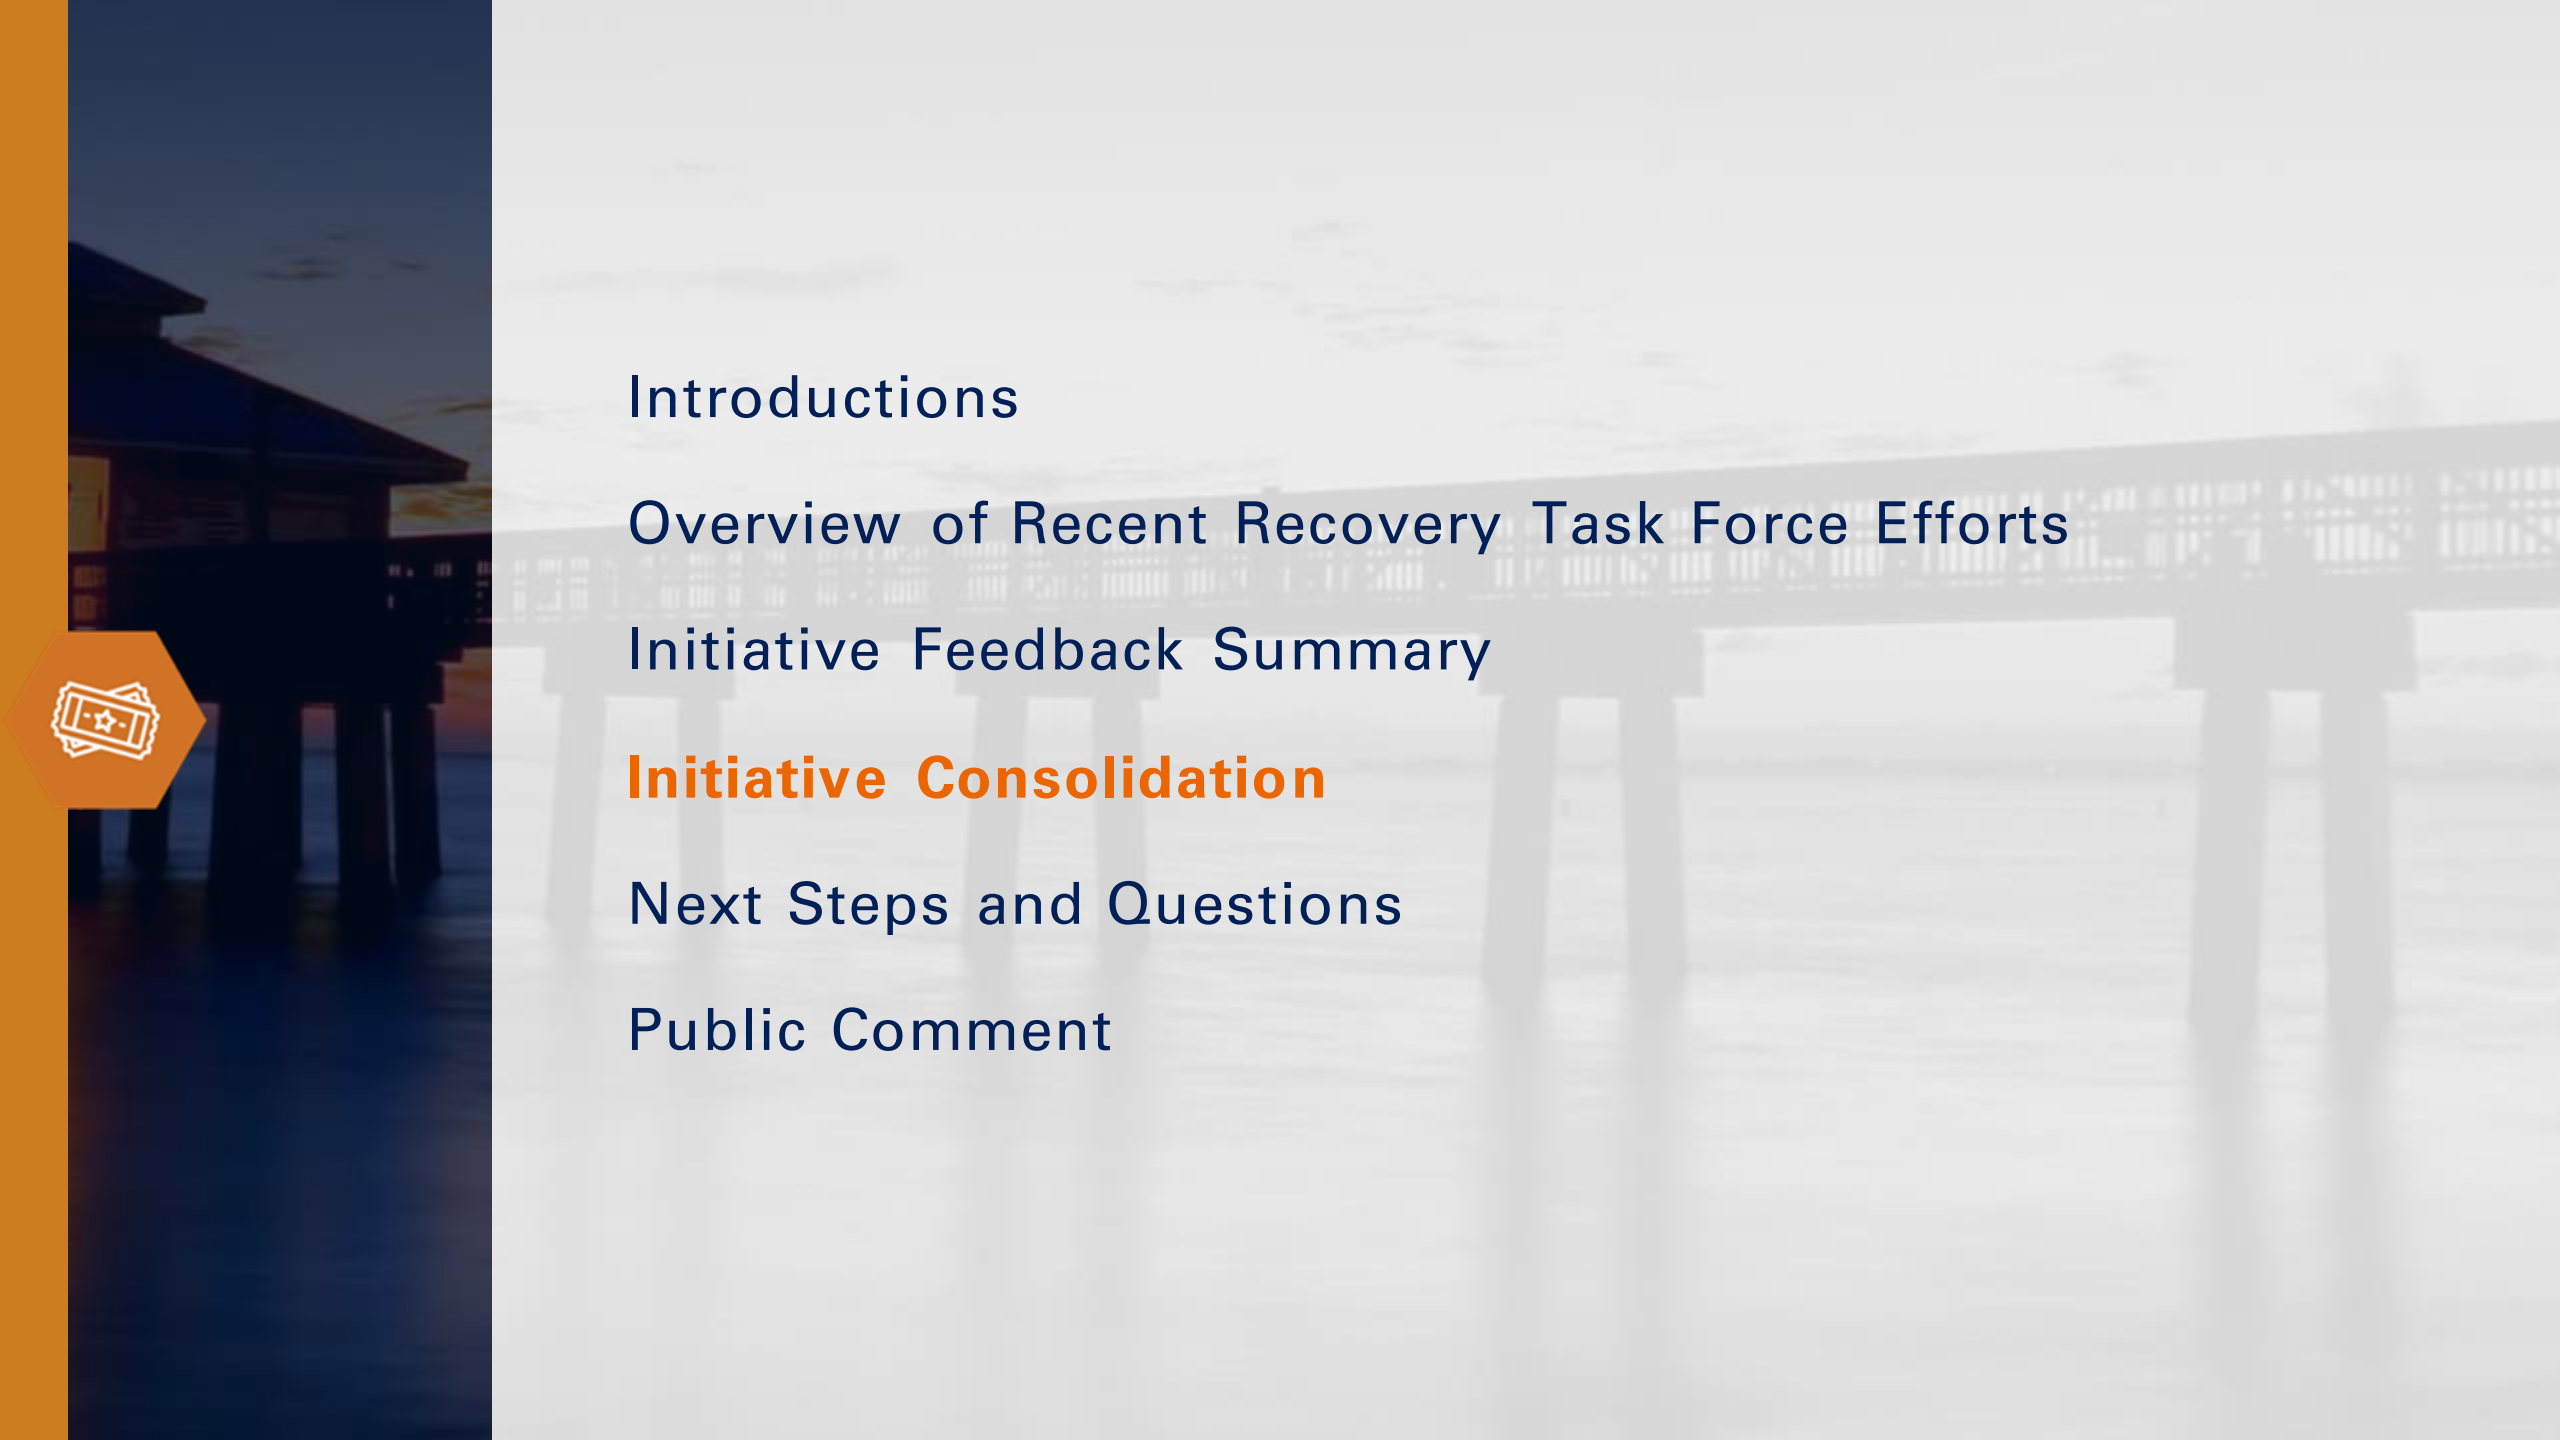

Branch Feedback	RTF Feedback	County Feedback
		• Recommend including efforts in County and Visitor and Convention Bureau planning and marketing. • Consideration: Bigger venues and exhibit spaces may lead to better economic results.

Branch Feedback	RTF Feedback	County Feedback
		• Consideration: Existing services may be out of the Lee County Human and Veteran’s department scope.

Initiative Consolidation

- Feedback suggests consolidation within and across Branch Initiatives.
 - Some Branch Initiatives are similar to other existing Branch Initiatives – these can be combined and redefined with new elements making current objectives more robust.
 - Initiatives aligned with other Branch priorities may become more powerful and **address more than one community challenge**.
 - Final Initiatives will be organized by **tying emerging themes from multiple Branches** and highlighting impacts in adoption.

Themes intersect in a similar fashion to Workshop Sessions.
